

QUALITY TRADING SOLUTIONS

MAX EXCHANGE DIRECT

EACHANGE DIRECT

Direct Securities Trading on Multiple Exchanges

GIANMARCO LO NIGRO, SALES & ACCOUNT MANAGEMENT, MACD:

,We are in close contact with our customers as well as with representatives of the various stock exchanges and ensure that our customers' requirements reach the exchanges.'

MAX EXCHANGE DIRECT

With MAX Exchange Direct you can trade orders directly on the connected exchanges. Market and static data are displayed directly in the MAX GUIs via the MACD infrastructure.

A tailored connection to your bank and order management system is possible. We support various interfaces, e.g. Avaloq, Finnova, Apsys, or Finstar.

Here you get more information: MACD Partner

USER-FRIENDLY TRADING WITH REALTIME MARKET DATA

ABOUT MACD

As specialist for electronic trading, MACD has been successfully developing products and services for financial institutions for more than 25 years.

The company is market leader in trading connectivity in Switzerland. More than 60 banks and exchanges across Europe trust in the comprehensive range of services in software development, project management, consulting, hosting and support.

Around 40 IT engineers, computer scientists and economists are working on innovative solutions at locations in England, Germany and Switzerland.

Since 2004 MACD has been a member of the FIX Trading Community, where George Macdonald, CEO MACD has been involved in various roles, including director.
