SPEAKER - CURRICULA VITAE

GEORGE MACDONALD

CEO MACD

George Macdonald, has been working in financial markets for over 20 years. He moved to Switzerland in 1996, where he worked for eight years at the SIX Swiss Exchange as a IT consultant, supporting participant banks in the migration from ring trading to a fully electronic platform.

In 1999 he founded Macdonald Associates GmbH (MACD) in Aachen, Germany, to develop high-quality software solutions for securities trading. He is passionate about the ongoing evolution of digitalisation in financial markets.

RUDOLF BÄR

Former CEO of the Julius Baer Group Zurich, now freelance employee at the Institute for Particle Physics and Astrophysics, ETH Zurich

Rudolf Bär is since December 2014 a freelance collaborator at the Black Hole Group lead by Prof. Kevin Schawinski at the Institute for Particle Physics and Astrophysics, ETH, Zurich.

From 1969 to 2005 he was at the private banking group Julius Baer, Zurich. He held various functions in different legal entities, originally as manager of the holding company. From 1993 to 2000 he was President of the Group Management Committee and CEO Julius Baer Holding AG, Zurich. From 1990 to 2005 he was Member of the Board of Directors Julius Baer Holding AG, Zurich. From 1996 to 2005 he was Member of the Board of Directors, Bank Julius Baer & Co. AG, Zurich of which from 1996 to 2002 as Chairman.

From 1964 to 1969 he worked for the American Dow Corning Group, initially as manager of Dow Corning AG, Zurich and afterwards as European Area Controller in Brussels.

He graduated with an MBA in 1964 at Harvard Graduate School of Business Administration, Boston. In 1961 he obtained the diploma in Electrical Engineering at the ETH, Zurich. From 1960 to 1962 he was additionally at University of Zurich, Rechts-und staatwissenschaftliche Fakultät, first as an auditor, then as a regular student.

RETO C. PADRUTT

Head of Trading / Financial Institutions, BEKB | BCBE

Reto C. Padrutt is head of the Department of Trade / Financial Institutions at the Berner Kantonalbank (BEKB) since 2014. During his economics studies at the University of Freiburg 2006-2010, he joined the BEKB part-time. After successfully completing his studies in 2011-2013, he took over the Head of the Economics Department and subsequently worked as Chief Economist until 2014.

From 1996 to 2006, as a member of the management board of Valiant Privatbank AG (Berne), he was initially responsible for private clients and later for cooperation with Lombard Odier & Cie. at the level of IT and product development and as MGL he was responsible for portfolio management and securities and foreign exchange trading.

Previously, Reto C. Padrutt held various positions at Credit Suisse (CS), Berne and Zurich: i.a. Head of Controlling Region Bern / Oberwallis and

member of the working group on the Swiss-wide reorganization of CS Private Banking as well as the merging of the Institutional Investment Advisory Services of the Schweizerischen Volksbank (SVB), Bern and CS, Bern.

Between 1984 and 1993 he went through various training, i.a. secretary of the Swiss embassy in Manila, Philippines (DFA); Degree in Marketing, Business Administration and Accounting (HWV); International Banking School, New York City (Securities Trading and Research US Stocks). From 1975 to 1984 he worked for the Schweizerische Bankverein (SBV). After completing a commercial apprenticeship he worked in various departments, i.a. Foreign Exchange Trading, Loans, Portfolio Management and branches (including private banking).

ROLAND SCHNEITER

Head of Trading, Member of the Board of Directors, St.Galler Kantonalbank

Roland Schneider began his career in 1985 at SBG (now UBS), where he acquired the basics of stock trading. He went through the „classic“ dealer training (Fichenläufer, Back Office Staff, Ring Telephonist). In 1987 he began his ring trader career at Bank Sarasin & Cie and joined 1990 Coutts & Co. He remained loyal to the ring trade until the introduction of the electronic stock exchange Switzerland (EBS).

He then took over the management of trading on the EBS at the Banca Unione di Credito. At Bayerische Landesbank AG, he took over the management of total trading in 1998. In this capacity, he joined Hyposwiss Privatbank AG (subsidiary of SGKB) in 2001. Since September 2010 he manages the trade in St. Gallen.

JÖRG WALTI

Head of Trading Wealth Management EMEA Deutsche Bank (Schweiz) AG

J.J. Walti runs the Execution/Trading across asset classes and for the different booking centers within Wealth Management EMEA at Deutsche Bank (Schweiz) AG. He is responsible for best execution within the MiFID II framework as well as implementation of future IT platform enhancement.

J.J. Walti has more than 30 years of market experience. He started in foreign exchange where he spend almost 2 decades in spot trading for UBS and ZKB. In 2001 J.J. joined Sal. Oppenheim jr & Cie AG in Zürich to run the cross asset trading. After Sal Oppenheim was bought by Deutsche Bank in 2010, it was integrated in August 2013. At that point J.J. Walti got the responsibility to run to trading across EMEA within Deutsche Bank Wealth Management.
